Journal of the FMS

All back issues of the Journal are available.
Some may be reprints. Many issues contain
slides, and Volume XVII on fluorescent mineral
photography contains a set of ten 35mm color
slides. A listing of articles in each of the
journals may be found on the FMS website at
<uvminerals.org/fms/fms-journal-article-index>.

The Society is offering special pricing to
members. All Volumes of the FMS journal
including Vol XV the Henkel Glossary, will be

on sale for 50% off list price. This is an excellent
opportunity to complete your set of Journals, or
purchase a complete set at a greatly reduce price.
